PANSY SEED

IMPORTANT NOTICE TO HOMEGARDENERS INTERESTED IN LARGE PANSIES WITH A RAINBOW OF COLORS!

Knowing homeowners enjoy a fantasy world of colors and shades along with the breathtaking sizes of blooms, Pitzonka's has a startling offer for you. Try Pitzonka's Quality tested seeds this year and after following our carefully prepared brochure on "growing Pitzonka's Pansies from Seed" if you aren't satisfied — your money cheerfully refunded in full.

Plan your next spring's garden today—look over and select your pansy, viola, bellis and forget-me-not seed from this list. Choose the colors that will harmonize with your other spring plants then let us do the rest. As soon as your order is received, freshly harvested seed will be sent speeding into your hands. Since pansy seed sowing in most sections of the country will be soon, from mid-July on, let us suggest you begin now to achieve next spring's calvalcade of spring color.

Since 1891—Pitzonka's Quality tested pansy, viola, bellis, and forget-me-not seed has been the password to large colorful spring blooming!

COLOR CARNIVAL —A recent California introduction combining the rich radiant colors of the Swiss strain with the vigor of the American grown strains. Large flowering with color shades predominately red, wine and yellow.	1.55	2.55
PITZONKA'S GIANT PRIZE MIXTURE. Here is a mixture that should please the most critical grower. It has all the requirements of a good bedding Pansy; compact growth, early bloom, free-flowering habit, flowers that stand up well above the foliage, and a wide range of colors. Includes rich shades with many solid colors and unusual markings. Red, pink, brown, lavender, blue and black predominate, with a large proportion of variegated colors.	1.05	1.80
PITZONKA'S IMPROVED SUPER GIANT MIXTURE. This new strain is a very fine one, with huge flowers as its outstanding asset. Blooms come in a wide range of variegated colors, from dark purples, red and blues through pastel tones. Some are blotched, some pencil-striped. Long, stiff stems and vigorous growth.	1.30	2.05
PITZONKA'S CUT-FLOWER MIXTURE. A top-quality mixture for either bedding or cutting, flowers are 3 to 4 inches across, with petals of good texture; stems are stiff and sturdy. Truly considered the best mixture we have ever offered. Should be included in everyone's garden because of its rare, exotic colors.	1.50	2.50
BUTTERFLY HYBRIDS. An exquisite mixture of lovely ruffly pastel pansies. A favorite among all growers. Orchid, lavender, pink and most other pastels. Wonderful for warmer or semi-warm climates.	1.55	2.55
NEW VARIETIES		
MAMMOTH WHITE. First offering of a F1 hybrid pansy in separate color. 100 to 200% more flowers per plant during the season. Limited seed available in 1962.	3.85	7.15
BLUE DREAM. New from Europe. An extremely early blooming giant flowering variety. Clear blue in a shade slightly deeper than a sky blue.	1.55	2.60
